Security Waiver for FBIS Applicant

1. The appointment of [redacted] as Information and Editorial Specialist, CAF-9 was requested on 7 February 1949 by FBIS. The Chief, FBIS believes that [redacted] background, education and prior government service amply qualify him for the position, and his services are urgently needed.

2. [redacted] has stated that he has been cleared by Department of the Army for handling Top Secret material. It is believed that such clearance, if verified, should warrant granting of a security waiver in this case without undue risk.

3. It is therefore requested that a security waiver be granted the above named applicant at the earliest practicable date.
